

4. All members responding POV to emergency calls will obey all traffic laws, including posted speed limits.

## All Members

1. No person shall operate any emergency vehicle, including private vehicles, while under the influence of alcohol or drugs.
2. All moving violation citations must be reported to the Chief or Assistant Chief within 72 hours of the citation.
3. The state driving record of any member is subject to review at any time.
4. Any member observed operating fire department apparatus or POV in an unsafe manner will be subject to membership status review.
5. Do not enter without cause, remove, replace, purchase, or make alterations of any kind to any parts or equipment of the company units without the authorization of the vehicle committee chair or, in his absence, the Chief.
6. The following are the only authorized uses of company units:
  - a. Response to emergency calls.
  - b. Refilling with water or fuel.
  - c. Fire department training.
  - d. Road course.
  - e. Maintenance checks.
  - f. Inspections.
  - g. Community events as approved by the Chief.
7. Any person violating the guidelines as set forth in this document is subject to membership status review by the chief.

This *Company Units and Emergency Drivers/Operators* guideline will be reviewed and amended as requested by the Chief.
